Debenhams Appliance Repair Policy

Some appliance manufacturers recommend regular or annual servicing of the equipment, particularly cookers. As this is a breakdown policy and not a maintenance policy, we will not pay claims where the equipment you are claiming for has not been serviced and maintained in accordance with manufacturers' recommendations.

HOW TO MAKE A CLAIM

Firstly you should telephone us on 01904 234 893 and quote 10555/RP15 together with your name, address and insurance agent details.

This insurance is not a maintenance contract and the cost of repairing damage due to gradual deterioration is not covered. If your claim is covered under this policy, the **Coverholder** will appoint an approved contractor to attend **Your** property to repair the reported fault subject to the **Limit of Cover**. If the repair is likely to exceed the sum stated in the **Limit of Cover**, **We** will only be liable to pay up to that amount. **You** must pay any amount which exceeds this sum.

It is important that **You** read **Your** policy carefully so that **You** know the details of the cover **You** have chosen. **We** would like **You** to understand and be satisfied with **Your** policy.
